The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. **This certificate is required to enter a hound in an Open Stake.** The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. Upon successful completion of the Qualified Courser test, the judge completes a certificate and awards it to the handler.

This certificate must be submitted to the host club with the hound's first entry in an Open Stake. The certificate must be included when the results of the trial are sent to the AKC.

**It is strongly recommended that every Qualifying Hound have been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.**
